City of Westminster Recreation and Parks Department

MISSION

Westminster City Recreation and Parks is dedicated to providing citizens with safe and enjoyable activities, events and park services. We are committed to organizing and promoting a variety of recreational opportunities and events designed to enhance the quality of life. The department recognizes that a comprehensive approach must include citizen, community organizations, city staff, Mayor and Council and Recreation and Parks Advisory Board input.

BENEFITS OF RECREATION AND PARK SERVICES

Protects natural environment, builds civic identity and pride. Develops strong communities, fosters individual growth & development. Prevents social problems. Reduces health problems and cost. Integrates disabled, disadvantaged and social alienated. Creates jobs and assist tourist industry. Attracts industry. Prepares individuals to cooperate with others. Increases property values and tax revenues. Stimulates leisure retail industry.

CURRENT CHALLENGES AND OPPORTUNITIES

Focus on preserving green space when annexing property into the city.
Find additional funding sources for Recreation and Parks.
Improve networking with the Economic Development Office and organizations.
Improve our accessibility in parks and playgrounds.
Improve safety in our parks and playgrounds.
Determine the value of preserving the Armory Building or building a new facility.
Provide better service through our city website.
Continue to monitor the value of the Family Center.
Preserve of Open Space funds through State and Federal Governments.
Increase usage of our facilities.

GOALS

Work close with the Planning Department to insure green space is preserved.
Continue to work with non-profit groups to assist with purchasing equipment and playground maintenance.
Work closer with the Economic Development Office and Organizations.
Apply for Community Parks and Playground grants through the state.
Increase technology using cameras and web access to keep our parks and playgrounds safe.
Continue to monitor usage of the Armory Building.
Expand website capabilities to provide better serve to the citizens.
Monitor the usage of the Family Center's membership, rentals and guest.
Continue to work with our state partners to lobby state and federal governments on the value of preserving open space in our community.
Increase the usage of our facilities through creative advertising.

OBJECTIVES OF THIS DOCUMENT

- Develop a Parks and Recreation Master Plan to plan for high-quality parks and recreation facilities and services that benefit all residents
- Link Westminster area parks and open spaces with a system of trails, pedestrian pathways, and bicycle routes
- Ensure that recreation facilities are available for public use in a manner that is multi-generational and accessible to all residents
- Improve the Department of Recreation and Parks service efficiencies in partnership with public and private entities

Lime Kiln Interpretative Park

Tahoma Farm Road

“The Fenby Farm Quarry and Lime Kiln site include the remains of two lime kilns, an unidentified room built into the hill slope near the kiln, and a nearby quarry (now the Fenby Farm Boulder Park). Extensive historical research conducted by Ken Short for the Maryland Historic Site Inventory form (CARR-260) indicates that the lime kilns and quarry were in operation by 1844 to sometime after 1905.” (Heritage Resources, 1997). Today the Lime Kiln Interpretative Park can be seen on your visit to the Wakefield Valley Trail or the Fenby Farm Boulder Park.

Longwell Municipal Center

11 Longwell Avenue

The Longwell Municipal Center houses the City of Westminster's Recreation and Parks Department offices as well as the Family Fitness Center and sees about 6,000 visitors each month.

The Recreation and Parks Office manages the day to day operations of City Parks such as repair, maintenance, safety, accessibility and improvements. This office also manages Recreation business to include planning, organizing and implementing special events and programs. Office personnel processes registrations/applications for participation in these events as well as swimming pool memberships and parks/facility rentals and permits.

The Family Fitness center is a full service health and wellness center for all ages. It features selectorized and free weight equipment, cardiovascular center, group fitness classes, child supervision, game room, and locker rooms and is open 7 days a week. Memberships and daily guest fees are available.
